

Noble Hearts Cellars

## 2019 Dry Creek Valley Pinot Gris

Aromas of Clove, Ginger and Spice complement the Green Apple and Meyer Lemon tasting notes. Our Pinot Gris is light and bright.

Harvested from Massoni Ranch in October 2019, pressed and vinted locally in Healdsburg by Foppiano winery, we finished the final wine at Koi Zen Cellars urban winery in San Diego.

Researchers at the University of California, Davis, have determined that Pinot Gris has a remarkably similar DNA profile to Pinot Noir and that the color difference is derived from a genetic mutation that occurred centuries ago.

The zesty and refreshing acidity pairs really well with fresh vegetables, raw fish and lighter meals. Fish and shellfish are classic pairing partners. Enjoy with semi-soft to firm cow's and sheep's milk cheeses. Gruyere, Muenster, Grana Padano
